

**REMARKS**

The present response is made for the Office Action dated July 21, 2005, in which Claims 1-2 were rejected. Applicant has thoroughly reviewed the outstanding Office Action including the Examiner's remarks and the reference cited therein. The following remarks are believed to be fully responsive to the Office Action and render all claims at issue patentable.

Reconsideration and withdrawal of the rejections set forth in the Office Action dated July 21, 2005 is respectfully requested.

**Claim Rejections under the Doctrine of Double Patenting**

The cited reference (US Publication No. 20050041816) is the CIP of the present application, in which the Assignee of the CIP is identical to that of the present application. Please let it be noted that on August 1, 2005, Claims 1-2 of the cited reference have been cancelled by the Applicant in response to the Office Action dated May 18, 2005. The basis of the rejection under the doctrine of double patenting no longer exists, and therefore this rejection is naturally overcome.

In view of the foregoing, Claims 1-2 pending in the application comply with the requirements of patentability defined over the applied art. A Notice of Allowance is, therefore, respectfully requested.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 386998014US from which the undersigned is authorized to draw.
